

FLOODING & SEWAGE CONSULTATION

KEEP THE BECK FLOWING

Keeping the beck free flowing is crucial to help prevent flooding. Please clear the beck of weed, while protecting the water voles. **Found out how** on our website.

GREEN TIPPING

A few residents are still fly-tipping their garden waste. Apart from being antisocial and unsightly, it adds to the flooding risk by blocking the beck. Please STOP.

HALL FARM

Despite the sewage floods and other strong objections, 5 large new houses will be built in the centre of North Newbald conservation area. NPC is concerned that its opinions appear to hold very little weight in the planning process. It has decided to take ERYC to task about this. We are meeting soon with senior ERYC officials to try and ensure Newbald's voice is better heard.

DEFIBRILLATOR

Cllr. Beccy O'Sullivan has kindly volunteered to offer informal training for anyone who would like to familiarise themselves with how to access the defibrillators. To increase your confidence in dealing with an emergency, please **get in touch**.

VILLAGE MAINTENANCE

NPC is considering a wide range of maintenance jobs in the village, some of which have been suggested by residents. It will prioritise them within budgetary constraints, with safety work being top of the list. Having carried out an assessment of the memorials in the churchyard and cemetery, NPC has marked up some headstones with red and white tape. Please stay away from these as they are potentially dangerous. We would be grateful if you could bear with us while we obtain quotes for remedial work.

WE NEED YOUR HELP!

As part of our work to reduce flooding risk in the village, we invite residents to attend a meeting to discuss your main concerns and the key issues you have noticed when water levels have been high. We would like to paint a detailed picture of the problems facing Newbald, with a view to creating a very specific plan to combat flooding and sewage leaks. The meeting will be chaired by West Wolds Slow The Flow, a partnership which aims to reduce flooding in the West Wolds villages using nature-based solutions. Please have your say on **Thu 9 Sep 7.30-9pm in the Village Hall**. Due to Covid, we have to

monitor numbers attending. Register on [eventbrite.co.uk](https://www.eventbrite.co.uk) (link on NPC website and FB), or contact NPC. Yorkshire Water (YW) has committed to

spending £500k lining the sewers in Newbald this Autumn. This should stop groundwater overloading the sewers in key locations, thus helping to prevent the sewage floods that residents have had to endure. ERYC has also committed to replacing some of the drains under the Mires with more effective, higher capacity ones by November. YW is carrying out CCTV work in the village's sewers to see if there are any blockages that may be exacerbating the sewage situation. We really hope that all these measures will mean that this coming winter is much better for Newbald than the last one.

HAVE YOURSELF A SPARKLING CHRISTMAS

After the darkness of Covid-19, what better way to brighten our days than a dazzling Christmas light display? To achieve this, we need to install a mains electricity supply on The Green, as well as buying new lights. Cllr. Beccy O'Sullivan and Fiona Oakes have kindly taken on the job of fundraising for this. They are doing really well, having secured a £1,000 grant from the local charity Robert B. Massey Trust, as well as £1,400 from other kind donors. Still, that is well short of the amount required. Installing the electricity supply alone will cost about £3,565 and the lights will be extra to that. If you want to make our next Christmas Eve 'Carols on the Green' a more vibrant and colourful spectacle, please consider donating. To organise a bank transfer, please call Beccy on 07528187326. You can also drop cash through Beccy's letterbox at 7 Eastwold, or Fiona's at 12 Townend Road.

Also to raise money for the Christmas lights, star resident Leandro de Luca is doing a half marathon wearing only his speedos and some festive tinsel! He will do a circular route from the **village green at 2pm on Sat 2 Oct**, finishing about 4pm at The Tiger for well deserved drinks. Please consider sponsoring him - see below. Thank you, brave Leo!

SOBER HILL WIND FARM COMMUNITY BENEFIT FUND

The next deadline for receipt of completed applications to the Sober Hill Wind Farm Community Benefit Fund is **30 Nov 2021**. Further details on how to apply are on our website.

NEWBALD TRAFFIC CALMING

ERYC is going to introduce a 50mph zone on the A1034 between Newbald and South Cave due to the high number of traffic accidents. However, despite our constant campaigning, ERYC still insists that the village centre is very safe and will not consider any traffic measures, even if privately funded. They maintain that traffic calming could cause a hazard on roads with a good safety record like ours. Community Speedwatch is still an option if we can find some more volunteers. Please **get in touch** if interested.

NEARLY NEW UNIFORM SALE

Newbald FONS recently launched its Nearly New Uniform Sale to raise funds for the school. We have some amazing items in really good condition, some unworn and with tags! All items are the bargain price of £2 each. Head to the Friends of Newbald Primary School [Facebook](#) page for further info. The sale will continue into the new term. So, if you find you have underestimated quite how fast things will get dirty, everything will still be available via Facebook.

VOLUNTEERS NEEDED

The fencing around the playground is now complete and we would like to say a big thank you to ERYC, Sober Hill and Sancton Hill Wind Farms for financing the project. The drainage at the rear of the field is also now installed. Can we please remind visitors to the park that the play area is a no dogs zone? This is for public health reasons. Finally, the current NPFA committee have dedicated over a decade of volunteering to maintain and protect the playing field and upgrade the playground. We would welcome new volunteers to steer the NPFA through the next decade. If anyone is interested, please [contact us](#) via Newbald Parish Council.

VILLAGE HALL NEW PHASE

We are finally open without government restrictions, signs, or yellow tape. BUT it will be up to each hirer to let their users know what pandemic restrictions they still want to implement. Hopefully, you will feel confident in the coming months to visit the Hall as you used to and enjoy the facilities the Hall proudly wants to share. We are fast approaching our AGM in October and notices will be on social media and on noticeboards. Everyone who wants to support Newbald Village Hall is most welcome. Meanwhile, we have been awarded grants by FCC Foundation (WREN), ACRE and NPC to enable us to replace the main hall exterior roof and exterior walls, which have significantly deteriorated. This has been delayed due to lockdown, but as materials become available, we can get the work done before Christmas and bad weather! There should be minimal disruption to hall users. We will keep you informed.

If you wish to be involved with the Hall in any way - from a volunteer, a user, a committee member, or simply to pass a comment please contact any committee member direct or on [our website](#). Thank you for continued support - Jenni Howard (Chair).

WI JOINS WALKING FEST

The WI and Newbald Natter hosted the NHS Afternoon Tea funding day which raised over £700. On Jul 21 we held our Annual BBQ in fantastic weather. Book Club, Craft Club, Walking Club and Coffee Club have all carried on as normal. Our August meeting was a walk round the village followed by a quiz at the Tiger. We return to the Village Hall in September where local author Louise Beech will talk about her life. Visitors are always very welcome.

On [Sun 12 Sep](#), we are taking part in The East Yorkshire Festival of Walking. Starting at [9.30am](#) at the Village Hall, there are two walks - one of 2-3 miles, the other of 6-7 miles. There will be refreshments afterwards. Booking is essential. For full details contact Di on 07731651029. Flyers are available locally at Drewtons and similar places.

DATES FOR YOUR DIARY

Sep 7th	Tue	Coffee morning - Church - 10.30-12pm - first of weekly event
Sep 9th	Thu	Flooding & Sewage Consultation - Village Hall - 7.30-9pm
Sep 12th	Sun	WI - East Riding Festival of Walking - Village Hall - 9.30am
Oct 2nd	Sat	Leo runs to raise funds for Xmas lights - The Green - 2pm
Oct 17th	Sun	NYPP - Apple Festival - The Rooms - 12-3pm

HARRY'S INITIATIVE HELPS IN FIGHT AGAINST UK HUNGER

A big thank you to everyone that donated food at the collection point in the church. There was so much that we had to make two trips to the Trussell Trust during the Easter holidays! Many of you also donated money. I used this to buy Easter eggs and items that the Trust had specifically asked for at that time. The trug will remain in the church porch for donations and I'll take these through to the Trust in Hull every school holiday. Thanks once again for your generosity - Harry Latham.

STONEMASONRY COMPLETE & NEW COFFEE MORNING

The stone repairs at the church are now completed. We would like to thank the Parish Council, the providers of local and national grants and everyone who made a personal donation. This would not have been possible without you. M B Masonry of Pocklington did the work. (See photo.) Sunday School at St Nicholas' Church will start on [Sun 3 Oct from 2-4pm](#). Donna Garbutt will advertise the details shortly. [New!](#) Coffee Mornings every Tuesday at St Nicholas' Church, starting [Tue 7 Sep 10.30-12pm](#). Please join us for tea, coffee, cakes, and chat. All welcome. We look forward to seeing you.

NEW CROSS FOR WEST END GABLE

FANTASTIC NEW ROOMS - NEW ACTIVITIES

It's been a busy few months for NYPP at the Rooms and a great time too as we have seen sessions return to normal and lots of new starters at the youth clubs. Renovations are complete and the building looks fantastic! We have also had the wall repaired at the back of the garden, it was in a state of disrepair

and now looks wonderful with the bricks and mortar restored. We have invested in a retro arcade games machine and are currently looking to purchase a slate bed full sized pool table. The Rooms are available to hire. Please get in touch if interested.

We are also delighted to have recently secured an extension on our lease from the Church of England, so the future of the Rooms is secure for the next 25 years!

The youth club is re-opening up on [Tue 7 Sep](#) with sessions for primary school aged children and on [Fri 10 Sep](#) for secondary school ages. Cookery club will also be restarting this year so keep an eye out on our social media pages for more information.

[New](#) for September 2021: We are starting a walking bus from the primary school to help widen the opportunities for our youngest youth club members to attend.

Newbald Baby and Toddler Group - [Thursdays at 1pm - term time. Starts 16 Sep](#) - Toys, stories, activities, fun and refreshments. Make new friends. [Find out more.](#)

The Apple Festival is on [Sun 17 Oct, 12-3pm](#). We are looking for donations of apples to juice and will also be taking orders for apple crumbles for home delivery again.

If you are interested in any of our activities please get in touch via [Facebook](#) or email us on Newbaldypp@outlook.com.

WWW.NEWBALDPARISHCOUNCIL.GOV.UK

Please visit Newbald Parish Council's website for Newbald information and news. Our next meeting is at 7.30pm on 13 Sep at Newbald Village Hall. All welcome.
